

UC Berkeley Math 1a Fall 2010
Discussion Sections 307
Information Sheet

Professor: Haiman

Graduate Student Instructor: Pejic

Office: 1049 Evans

Office Hours: 2-3 Monday and Wednesday

Email: mpejic@math.berkeley.edu

Webpage: <http://math.berkeley.edu/~mpejic>

Homework: Homework assignments are posted on the professor's website: <http://math.berkeley.edu/~mhaiman>. Homework will be collected in discussion section and graded as to completion. To receive full credit every problem must be sincerely attempted: something relevant must be added beyond just copying the question and answer.

Late Work: No late work will be accepted.

Email: Email will be read and responded to at least once daily on weekdays. Email is to be used for administrative questions only; mathematical questions are to be addressed during office hours.

Grading: Each successful homework will score two points. The two lowest homework will be dropped in calculation of the section grade.

Special Accomodations: Students with disabilities documented through the Disabled Students Program should contact me as soon as possible to ensure the required accomodations are provided.
