

# Math 1A, Homework 12, due Wed. 12/11/2013

Lectures on 12/3, 12/5, and 12/12 will cover 6.1–6.3. That will be all the new material we cover in the course. 12/12 is during RRR week, but we'll probably need it to make up for the day we missed because Dwinelle was closed. If not, I will use the time for review.

Thursday of RRR week, I will have a review session in 155 Dwinelle, 2-3:30.

This is the last homework. It is due Wednesday of RRR week.

Homework to hand in:

Section 6.1: 1, 3, 13, 21, 42, 43, 51.

Section 6.2: 6, 13, 14, 17, 49, 55, 65, 68.

Section 6.3: 2, 13, 15, 19, 46, 48.
