

**PETITION TO TAKE MATH 295, 299, or 602**  
DEPARTMENT OF MATHEMATICS  
University of California, Berkeley

**MATH 295: Independent Research for Ph.D. Candidates, 1-12 units**  
(After Advancing to Candidacy)

Individual study in consultation with one's Dissertation Chair/faculty adviser for candidates of the Ph.D. degree

**MATH 299: Graduate level Reading Course, 1-6 units**

A course for the investigation of special problems under the direction of faculty members of the Mathematics Department

**MATH 602: Independent Research for Ph.D. Students, 1-8 units**  
(Prior to Advancing to Candidacy)

Individual study in consultation with a supervising faculty member intended to provide an opportunity for qualified students to prepare themselves for the various examinations required for candidates for the Ph.D. degree. This course must be taken with the S/U grading option.
