The Department of Mathematics at the University of California, Berkeley invites applications for one or more ladder rank faculty positions at the ranks of Full, Associate, or Assistant Professor, with an expected start date of July 1, 2019. Candidates in all areas of pure and applied mathematics are encouraged to apply. Professorships and Associate Professorships carry tenure, and Assistant Professor positions are regarded as tenure-track.

The University strives not only to hire new faculties who excel or will excel in research, but also faculty who are committed to all of the University’s objectives. In particular, successful candidates should also demonstrate a commitment to education, mentorship of students, service, and to equity and inclusion.

The University and Mathematics Department are committed to maintaining a diverse and family friendly work environment and are responsive to the needs of dual career couples and to family concerns. For information about potential relocation to the Bay Area or career needs of accompanying partners and spouses, please visit: http://ofew.berkeley.edu/new-faculty.

Applications must be submitted online via AP Recruit:

Tenure-track (candidates who do not currently hold a tenure-track appointment, and current assistant professors, should apply through this link): https://aprecruit.berkeley.edu/apply/JPF01808

Tenured (tenured faculty who currently hold tenured appointments should apply through this link): https://aprecruit.berkeley.edu/apply/JPF01807

Basic Qualifications:
Applicants must have a PhD (or equivalent international degree) at the time of application.

Preferred Qualifications:
Tenure-track applicants are expected to have demonstrated research potential; tenured applicants should have established research accomplishments. Serious consideration will be given to the candidate’s potential for success in mentoring PhD students, the candidate’s record in teaching at both the undergraduate and graduate levels, and evidence of effective leadership. Serious consideration will be given to professional service, including service promoting access to, and diversity in, higher education and the academic profession. Rank will be determined based on qualifications and experience.
Applicants must submit the following unless otherwise indicated:

- AMS cover sheet
- Curriculum vitae
- List of publications
- Research statement
- Teaching documentation (ex. teaching letter, student evaluations)
- Professional Service Statement (optional) (including service promoting access to and diversity in higher education and the academic profession)
- **Tenure-track only:** Ask minimum three reviewers to submit letters of evaluation through AP Recruit. Applicants should ensure letters of evaluation are posted by the application deadline.
- **Tenured only:** Provide names and contact information for four people who are familiar with the candidate’s scholarly work. The department will solicit letters of recommendation for tenured positions only for candidate under serious consideration. Candidates will be notified before department contacts anyone on the candidate list.

All letters will be treated as confidential per the University of California policy and California state law. Please refer potential referees, including those whose letters are provided via a third party (i.e. dossier service or career center) to the UC Berkeley statement of confidentiality: [http://apo.berkeley.edu/evalltr.html](http://apo.berkeley.edu/evalltr.html) prior to submitting their letters.

Applications must be received by November 28, 2018.

Please direct questions to recruit@math.berkeley.edu.

The University of California is an Equal Opportunity/Affirmative Action Employer. All qualified applicants will receive consideration for employment without regard to race, color, religion, sex, sexual orientation, gender identity, national origin, disability, age or protected veteran status.
