For all course equivalency requests, please include:

i) A detailed syllabus/course outline showing which sections of the book were covered.

ii) The table of contents for the textbook.

Course outlines for Berkeley’s Math 1A, 1B, 10A, 10B, 16A, 16B, 32, 53, 54 and 55 are posted at: http://math.berkeley.edu/courses/choosing/lowerdivcourses

You can (and should) review and compare topics and hours of lecture per topic with the course you have completed before requesting a course equivalency evaluation. The evaluations will be done by email alone; the details are given below.
