

MATH/APPLIED MATH MAJOR DECLARATION CHECKLIST

Math/Applied Math Major Requirements

Please check off all that apply.

- You have completed Math 1A and Math 1B (or equivalent) with average grades of at least “C”.
- You have completed Math 53, Math 54, and Math 55 (or equivalent) with minimum grades of “C” in each, or have completed two of those three courses and are currently enrolled in the third.
 - If currently enrolled in the last lower-division requirement, you acknowledge that you must earn a “C” or better in order to remain declared in the major.
- Any coursework completed at another college or university (that is not a CA community college) has been evaluated by the department and you have attached the course equivalency form that has been signed by the course equivalency advisor.
- If you have taken any major required upper-division courses by the time of declaration, you have a minimum 2.0 GPA in those courses.

Student Instructions

1. Complete all sections of this form.
2. Submit your application to declaremajor@math.berkeley.edu.
3. For double majors already declared in another major, email an advisor for an appointment. In addition to this form, you will need to complete the College of Letters and Science’s Double Major petition.
