	5-6pm Patrick 1068 Evans			

SLC drop-in tutoring hours:

Mon-Fri, 10am-4pm.

Notes about Kelli's OH:

- RE: Monday night office hours in the Moffitt studying area – this is a new experiment. We'll see how it goes for a few weeks and then re-evaluate. It may take a little trial and error, but we will sort out some sort of standard way for you to find me.
- Tuesdays you are welcome to walk with me from class to the SLC for OH.
- Thursdays I will just have mini office hours right after class – outside in the courtyard when the weather is nice, and in the LKS foyer just outside our classroom when it's not. I can usually stay past 2:30pm if we are still talking math.
