

MathSpace

Get your math on!

all students are invited to come through!

get more insight into what you're learning ←

→ talk to grad students ready to help

work alone or connect with peers in a group ←

→ share tips for success

crazy math questions welcome! ←

Every Thursday from 5-7
1015 Evans

sponsored by the Mathematics Department

organized by *Unbounded Representation*

a math grad group focused on issues of diversity in mathematics
